

Unit 2: Population and Migration

EQ 1: How does where and how people live impact global cultural, political, and economic patterns?

EQ 2: How does the interplay of environmental, economic, cultural, and political factors influences changes in population?

EQ 3: How do changes in population affect a place's economy, culture, and politics?

Important Dates

VC 2-1: 9-12/15

VC 2-2: 9-24/25

Unit 2 Exam: 9-30/10-1

Date/Topic	Learning Targets			Agenda/Notes
9-4/5		•		Unit 1 Exam HMWK: Population Distribution notes (<i>bring your notes-colored pens/markers recommended for next class</i>)
Date/Topic	Learning Targets	One pager/Vocabulary	One pager/Vocabulary	Agenda/Notes
9-8/9 <i>Understanding where and how people live is essential to understanding global cultural, political, and economic patterns.</i>	1. I can identify the factors that influence the distribution of human populations at different scales 2. I can define methods geographers use to calculate population density 3. I can explain the differences between and the impact of methods used to calculate population density. 4. I can explain how population distribution and density affect society and the environment	Population Distribution - Physical factors ➤ Climate ➤ Landforms ➤ Water bodies - Human factors ➤ Culture ➤ Economics ➤ History ➤ Politics - Population density ➤ Ecumene ➤ Arithmetic ➤ Physiological ➤ Agricultural - Consequences of population distribution ➤ Carrying capacity ▪ Over-/under-population ➤ Provision of services	The Demographic Transition Model - Stages 1-5 ➤ 1: High Stationary ➤ 2: Rapid expansion ➤ 3: Late expansion ➤ 4: Slow growth ➤ 5: Zero or negative growth - Demographic factors ➤ Fertility ▪ Replacement Rate ➤ Mortality rate ➤ Migration: Demographic Equation - Rate of natural increase ➤ Zero population growth - Population-doubling time - SPEED factors that influence population growth and decline - The Epidemiological transition ➤ Stages 1-4 ▪ Stage 1: Exposure, starvation ▪ Stage 2: Infectious diseases ▪ Stage 3: Chronic diseases or cardiovascular disease (CVD) ▪ Stage 4: Geriatric, delayed chronic/CVD, cancer - Notable Exceptions to the DTM ➤ Russia's population sink ➤ Tourism economies	ICA: Review Unit 1 exam ICA: Zero Population Growth Video ICA: Demographic Transition Model discussion (<i>bring your notes-colored pens/markers recommended</i>) HMWK: Population Composition (pyramids)/DTM notes (two sets). We will cover most but not all in the lecture in class. <u><i>You are responsible for taking notes on what we will NOT cover.</i></u>

Date/Topic	Learning Targets	One pager/Vocabulary	Student notes	Agenda/Notes
9-10/11 <i>Changes in population are due to mortality, fertility, and migration, which are influenced by the interplay of SPEED factors.</i>	5. I can describe elements of population composition used by geographers 6. I can explain ways that geographers depict and analyze population composition 7. I can explain factors that account for contemporary and historical trends in population growth and decline.	Population Composition - Population pyramids ➤ Age structure ➤ Sex ratio ➤ Dependency ratio ➤ 5 distinctive shapes (relate to stages of DTM) ➤ Population momentum - Analysis at different scales ➤ Assess population growth ➤ Predict markets for goods and services		Quick Write #1: Billy was a Gravedigger handout (write answers in Schoology discussion) ICA: B & U Countries (daily grade) ICA: Population Pyramids analysis HMWK: Theories of population growth and decline notes
Date/Topic	Learning Targets	One pager/Vocabulary	Student notes	Agenda/Notes
9-12/15 <i>Changes in population are due to mortality, fertility, and migration, which are influenced by the interplay of SPEED factors.</i>	8. I can explain theories of population growth and decline	Theories of Population Growth and Decline - Models of population growth ➤ Carrying capacity ➤ Over-/under-population ➤ J-curve ➤ S-curve - Malthusian Theory ➤ Thomas Malthus ➤ Positive checks ➤ Preventative checks: moral restraint ➤ Carrying capacity ➤ critics - Cornucopian Theory ▪ Esther Boserup ▪ Role of technology		Quick Write #2: Population Growth Issues/Understanding Limitations MC Questions Vocab Check 2-1 ICA: Crash Course Malthus Video ICA: FRQ student analysis HMWK: Women and Demographic Change notes
Date/Topic	Learning Targets	One pager/Vocabulary	Student notes	Agenda/Notes
9-16/17 <i>Changes in population are due to mortality, fertility, and migration, which are influenced by the interplay of SPEED factors.</i>	9. I can explain how the changing role of females has demographic consequences in different parts of the world 10. I can explain the intent and effects of various population and immigration policies on population size and composition.	Women and Demographic Change - Changing Role of Women ➤ Changing social values ➤ Access to education ➤ Access to healthcare ➤ Reduced fertility rates/access to contraception - Population Policies ➤ Pronatalist policies ➤ Antinatalist policies ➤ Eugenics ➤ Immigration policies ➤ Examples of Where, why, and future issues for EACH of the above.		Quick Write #3: Population Policies CFU ICA: Don't Panic video and MC questions (daily grade) HMWK: Aging population notes

Date/Topic	Learning Targets	One pager/Vocabulary	Student Notes	Agenda/Notes
9-18/19 <i>Changes in population have long- and short-term effects on a place's economy, culture, and politics</i>	11. I can explain the causes and consequences of an aging population 12. I can explain the causes and consequences of a young population	Aging Populations • Dependency ratio • Young Populations ➤ Economic consequences ▪ Lack of jobs, perpetuation of low-wage jobs, loss of traditional economic practices ➤ Social consequences ▪ Lack of access to education, healthcare, childcare, food insecurity ➤ Political consequences ▪ Changing voting patterns ➤ Environmental consequences ▪ Land stress, deforestation, pollution and contamination of water/air/soil • Aging populations ➤ Economic consequences ▪ Labor shortages, increased tax burden of working ages ➤ Social consequences ▪ Healthcare, retirement, education ➤ Political consequences ▪ Changing voting patterns		Quick Write #4: Bearer Brackets ICA: Rapid Population Growth & Decline videos and questions (daily grade) HMWK: Causes of Migration notes and Ravenstein's Laws handout Students OFF on the 22 nd and 23rd
Date/Topic	Learning Targets	One pager/Vocabulary	Student notes	Agenda/Notes
9-24/25 <i>Changes in population have long- and short-term effects on a place's economy, culture, and politics</i>	13. I can explain how different causal factors encourage migration 14. I can describe types of voluntary and forced migration	Causes of Migration • Voluntary Migration ➤ Push and pull factors ➤ Gravity Model ➤ Ravenstein's Laws ➤ Types of Migration ▪ Internal regional migration ▪ Rural-to-urban migration ▪ Cyclical movement ○ Transhumance ○ Pastoral nomadism ○ Activity space ▪ Trans-national migration ▪ Chain migration ▪ Step migration ▪ Guest workers	(Causes of Migration, continued) • Forced Migration ➤ Slavery ➤ Refugees ➤ Internally displaced persons ➤ Asylum seekers	Vocab Check 2-2 ICA: Migration Concepts application HMWK: Effects of Migration Notes

Date/Topic	Learning Targets	One pager/Vocabulary	Student notes	Agenda/Notes
9-26/29 <i>Changes in population have long- and short-term effects on a place's economy, culture, and politics</i>	15. I can explain historical and contemporary geographic effects of migration	Effects of Migration • Political effects ➤ Changing voting patterns ➤ Changing immigration policies • Social effects ➤ Provisions of services ➤ Slums • Economic Effects ➤ Income disparity ➤ Filling jobs/lack of jobs • Cultural effects ➤ Diffusion of cultural traits ➤ Formation of ethnic neighborhoods		Quick Write #5: Refugees & Status ICA: UNHRC Global Trends and refugees research HMWK: Study for Unit 2 exam
Date/Topic	Learning Targets	One pager/Vocabulary	Student notes	Agenda/Notes
9-30/10-1		▪		Unit 2 Exam <i>(retake deadline October 9 end of the day, end of the 1st 9 weeks 10/10)</i> All QWs submitted in Schoology. Practice test completed in AP Classroom HMWK: Cultural Landscape & Patterns notes
