

Pop Culture, Fast Fashion and Globalization Case Study

<https://www.youtube.com/watch?v=iq0--DfC2Xk>

1. How has the fashion industry changed over time?

2. What is fast fashion?

3. What are some pros and cons of fast fashion? (You need 3-4 examples for each)

4. A. How many garments are produced each year due to the concept of fast fashion?

- B. How many people globally work in the fashion industry and in what region of the world do they live?

5. How has pop culture and globalization impacted clothing consumption and disposal in MDCs (think about what you know of pop culture)?
