

**FRQ Remediation**): you will be given the opportunity to improve any FRQ grade for up to half points back. In order to earn this, you **MUST** complete the following requirements:

1. In **no less than half a page** (not typed-handwritten) explain what you did wrong and why it was wrong. Explain how you can improve your FRQ grades in the future. Also explain what mistakes you made that you will not make again in the future.
2. In **no less than one page** rewrite/discuss the topic of the FRQ in detail. Make sure to include specific examples including real world examples. If you received full points, keep the information. Anywhere you received half points please elaborate. Where you received no points, research and correct. Be THOROUGH!! Even if you received full points you **MUST** still rewrite it.
3. This must be **handwritten** (typed assignments will not be accepted). Write in a blue/black pen.
