

Name: _____

Modern European History Timeline Project

Directions: Create a timeline that includes 9 important events that occurred during modern European history. The 9 events that you need to include are: Industrial Revolution, Age of Imperialism, World War I, Russian Revolution, World War II, Cold War, Creation of the UN, Creation of NATO, and Creation of the EU.

Project Requirement	Score
All 9 events are included on the timeline.	20
Each event has a title and correct date Example: "Russian Revolution: 1917"	10
Each event has a 1-2 sentence description that is accurate, concise, and straight to the point	10
Event descriptions are in your own words.	10
Events are labeled in the correct chronological order on the timeline.	20
Year increments on the timeline are spread out evenly (use a ruler!)	5
The timeline includes at least 2 visuals that accurately represent events on the timeline. The visuals can be either printed or hand-drawn.	5
All spelling and grammar is correct throughout the timeline.	5
Timeline is neat and easy to read.	5
Classroom time was used productively to work on the project.	5
Project was completed on time. (5 points taken off for every day the project is late) Due Date = February 8th	5

Total Grade = 100 points possible
